PUBLICATIONS

Journal paper

You can use some options here such as: In-Progress, Submitted, reviewed, Published

- # write your publication based on common form of referencing in your field of study. For example if you study psychology APA is one of common formats. In following I brought one example
- Kahnemann, D., & Tversky, A. (1979). Prospect theory: A decision making under risk. Econometrica, 47(2), 263-291.

Here you can also add your other publication such as: Translation, book and so on ...

• O'Connor, J., Lages, A. (2019). Coaching the brain: Practical applications of neuroscience to coaching. Routledge.
